MEMBERSHIP CORPORATION**

RATE SCHEDULE RSPP-0018

PRE-PAID RESIDENTIAL ELECTRIC SERVICE RATE SCHEDULE

The Warren County Rural Electric Membership Corporation (REMC) shall charge and collect for pre-paid residential electric service on the following bases of availability, application, character of service, daily rate, minimum charge, rate adjustment clauses, and tax adjustment.

AVAILABILITY:

This schedule is available to any member of Warren County Rural Electric Membership Corporation who meets the eligibility criteria set forth herein and is located in the territory served by the REMC.

APPLICATION:

This schedule is applicable to electric service used exclusively for domestic purposes to individually metered single-family dwelling units; to individually metered dwelling units in duplexes, apartments, and condominiums; and to farms occupied as the residences of the customers. This rate is not applicable to residential dwellings used for business purposes or licensed boarding or rooming houses if served by a single meter. This rate is not available to separately metered barns, grain dryers, workshops, or other similarly detached structures, which may be associated with a primary residential dwelling, but not used for domestic purposes. This rate cannot be used in conjunction with time-of-use or net metering service. This rate is not available to any electric service above 200 Amps. This rate is not available to any dwelling that cannot receive an AMI metering signal.

CHARACTER OF SERVICE:

Service under this schedule shall be single phase, 60 Hertz, alternating current at the REMC's available standard voltages. All residential service required on the premises by the customer will be supplied through one meter.

Service shall be for the sole use of member and shall not be resold by member to any other person or entity.

DAILY RATE:

Customer Charge..... \$1.36 per day

Energy Charge:
All kWh @..... \$0.13009 per kWh

WHOLESALE POWER AND OTHER COST ADJUSTMENT CLAUSE:

This Rate Schedule is subject to the Wholesale Power Cost Adjustment Clause set forth in Appendix A, all other applicable Riders, and all non-recurring charges which may be amended from time to time in the sole discretion of the Board of Directors.

MINIMUM CHARGE:

The daily minimum charge under this rate schedule shall be the Customer Charge.

TAX ADJUSTMENT:

The amount computed at the above monthly rate as adjusted by the application of the rate adjustment clauses shall be subject to taxes, assessments, and surcharges imposed by any governmental authority.

TERMS AND CONDITIONS OF SERVICE:

1. Members who enroll in pre-paid residential service shall sign a service agreement. The agreement shall remain in effect until the member notifies Warren County REMC of their intent to cancel the agreement.
2. Any existing member that enrolls in pre-paid residential service must pay a minimum of \$100.00 of any balance owed including any recent unbilled usage with 50% of the payment going to the outstanding and unbilled portion and 50% going towards pre-paid. The remaining balance will be collected as follows: when a payment is made to the member's pre-paid residential account, 50% of the payment will be applied to the remaining balance until it is paid in full, subject to change at the discretion of the Coop. Deposits from previous service will be credited toward the member's account.
3. The member will establish an initial account credit of \$50.00. Monthly statements will not be mailed to the member. The member can access their account anytime via Smarthub. An automated text/voicemail/email will be sent to the member when the account reaches an estimated daily balance of five days. The member will be disconnected if the account balance becomes negative. The member is responsible for maintaining a positive credit balance for continued service. If a payment is returned for any reason, the account is subject to a service fee of \$40.00.
4. By voluntarily taking electric service under the rate schedule, the member waives any right to receive advance notice of disconnection that would apply under a traditional rate schedule. It is the member's responsibility to monitor member's

electric use and maintain a positive credit balance. In order for member to receive the necessary alerts to avoid disconnection of service, member shall provide member's current phone numbers and / or email address and utilize Smarthub monitoring tool.

5. If service is disconnected due to lack of funds, a \$25.00 minimum payment plus any unbilled usage must be applied to reestablish service.
6. a) Electric Service provided hereunder is subject to the provisions set forth in the Warren County Rural Electric Membership Corporation's Bylaws, Service Rules & Regulations, and Policies, as may be amended from time to time in the sole discretion of the Board of Directors.

b) Billing and Payment for electric Service provided under this Rate Schedule is subject to the provisions set forth in the Warren County Rural Electric Membership Corporation Bylaws, Service Rules & regulations, and Policies, as may be amended from time to time in the sole discretion of the Board of Directors.

The rates and charges set forth in this Rate Schedule are subject to change at any time in the sole discretion of the Board of Directors.
